TO: []
FROM: []
SUBJECT: FERID, Murad Dr.

REFERENCE: Vienna Hq. Memo #505 and X-1980

1. On one of [] recent trips to Munich, I requested him to check with [] concerning the possible identity of Dr. M. FERID, Teng Strasse #6, Munich, with the Dr. Murad FERID, former Abwehr II agent in Greece and the Middle East.

2. [] reported that [] FERID, who is intended as a letter-box for the VERONAL Project is identical with the well known Abwehr FERID. [] reported he had cleared Subject through Washington, and therefore, saw no objections to his use as a letter-box. In this connection, I wish to note that the SC aspect of the VERONAL Project was a purely potential one from the beginning. It has been dropped entirely, and I have just been informed by the case officer, [], that the Project as a whole will be dropped, eliminating also the problem of the letter-box.
